

HIRING & WILLING TO TRAIN

From General Shop Hand we'll train you to be a Skilled Upholsterer

Skills required, you must be or have:

- Manual dexterity, able to see things in three dimensions, mechanically inclined, familiar with small power tools
- Physically Fit & Strong: able to work at a manual job standing, sitting, crouched, in vehicles, on stepladders, lift 50lbs
- Desire to work with cars, quads, boats, small machines, good at cutting, measuring, stapling, taking things apart & reassembling, a taste for restoring them to brand new,
- *Leatherworking or Sewing experience would be an asset, but not required,*
- A strong desire to learn new skills, trainable

...a person that likes a unique challenge in front of them each day.

We do custom work; it is creative and non-repetitive.

- Summer work on jet, pontoon & speed BOATS: we build covers, Bimini frames, windowed enclosures and seats.
- Winter or shoulder season on custom vehicle interiors, small industrial jobs, winter shrouds & fronts.

You'll be stripping old & installing new skins /covers in boats - cars - bikes – sea/skidoos... all types of Big Boy and Big Girl toys. Sewing is done by a trained tailor.

All custom - All creative - Family atmosphere at work.

Possibility of joining the management team in the future if you have the skills.

ARTISAN UPHOLSTERY LTD. 21432 Hwy 14, Sh. Pk. We are located in the countryside on Highway 14. Summer work is in a vinyl shed open to the sunshine & open air; winter is in a heated shop.
